Locally Made

Ceramic Urns and Funerary Art

Individually Handmade and Unique

Ash Urns For Adults

Browse the range of ready made urns in many different shapes, sizes and colours, classic to contemporary Includes "Paint Your Own"

Underwater Urns

For folk who love the water; exclusive eco-friendly designs that actually enhances the ecosystem. Please visit the website for more information.

Figurines

Angels, Cherubs, Doves and Christian items including La Pieta, Jesus of the Sacred Heart and the Madonna are some examples available

Children & Babies

Urns and Angels specially designed for Little Ones, like these Cherish Urns shown to the left. Custom orders welcomed

Burial Pods

Biodegradable pods ready to be buried in the earth or have a tree planted along with ashes have been designed with a velvety tactile glaze.

Pedestals and Plinths

To elevate your memorial piece add one of my pedestals, plinths or bases from the large selection.

Small Keepsake Urns

A wide variety is available, including candle keepsake urns to house a portion of ashes along with a memento (like a lock of hair) if desired.

Wreaths and Flowers

Single sympathy roses and gardenia wreaths are exclusive to White Lily Urns.

Something Different

New contemporary creations are being developed all the time including Unicorn Urns, Dragon Urns and many unique Artisan Urns

My Promise

My goal to help those who have lost a loved one to find some comfort, peace and solace has led to the development of urns, wreaths, angels and doves to enable you to commemorate your loved one in a special way, all backed by a 100% satisfaction guarantee

Australian

All clay and glaze materials used in the making of White Lily Urns pottery are Australian sourced. This means that not only is the quality of our products highly dependable, but also that all manufacturing takes place under the strictest of environmental controls.

Exclusive

Every life is unique and deserves a fitting tribute. Likewise my pottery is handmade individually with great love and care ensuring each piece is one of a kind. I have many exclusive, innovative designs to choose from to meet those final wishes.
